DECISION AND ORDER

The National Labor Relations Board, by a three-member panel, has considered objections to an election held on November 20, 2013, and the Regional Director's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 13 for and 15 against the Petitioner, with 1 challenged ballot, an insufficient number to affect the results.

The Board has reviewed the Report on Challenges and Objections and Notice of Hearing in light of the Employer's exceptions and adopts the Regional Director's findings and recommendations.¹

¹ No party has excepted to the Regional Director's recommendations regarding the disposition of the challenges, or his recommendation to overrule the Petitioner's Objection 3.

In its December 19, 2013 exceptions, and again in its January 7, 2014 submission to the Board, the Employer requested a stay of the January 8 hearing on objections. In its January 7 submission it cites the Regional Director's December 30, 2013 Supplemental Report on Objections as further support for its request for a stay. The Employer's request to stay the hearing is denied.

ORDER

IT IS HEREBY ORDERED that this proceeding is remanded to the Regional Director
for further appropriate action
